

STEVEN SCOTT

As seen on TV and stages from Broadway to the Las Vegas Strip, Steven's comedy combines clever observations of his everyday life with his amazing array of vocal talents; including characters, voices and sounds ranging from celebrities to musical instruments. As a comedian, actor and host he has worked with some of the biggest names in show business on both stage and screen where he has traveled to all 7 continents; performing theaters, comedy clubs, conventions, cruises, colleges, festivals, roasts, military bases and made numerous TV & radio appearances from Comedy Central to his recent standing-ovation performances on America's Got Talent. Described as a perfect mix between Jerry Seinfeld and Jim Carey, Steven loves getting paid now to do exactly what used to get him into trouble as kid.
