

STEVEN SCOTT

Steven Scott is a comedian, actor and host who has made numerous TV show appearances from Comedy Central to his standing ovation performances on America's Got Talent. With a recent, top-rated DryBar Comedy Special under his belt and having appeared on top stages from Broadway to the Las Vegas Strip, Steven's unique and tasteful brand of comedy combines clever observations of his everyday life with his amazing array of vocal talents; including characters, voices and sounds ranging from celebrities to musical instruments. He has travelled to all seven continents and worked with some of the biggest names in show business on both stage and screen. Once described as a perfect mix between Jerry Seinfeld and Jim Carey, Steven loves getting paid now to do exactly what used to get him into trouble as kid.
